

2007 research report on China wind power equipment Industry

Hard copy price: 2000USD

Electronic copy price : 2500USD

Hard+electronic copy: 3000USD

Pages: 308

Tables and figures: 159

words: 183000 words

published date: Apr 18,2007.

Publisher: QY Research Solar Energy Research Center

Contact: Mr. Zhangdong 86+13811796901 8610-64836516 qy@qyresearch.com

Tables and contents:

Part one wind power equipment industry overview 1

- 1.1 wind power industry summary 1
- 1.2 turbine 19
- 1.3 wind turbine blade 26
- 1.4 gearbox 31
- 1.5 Generator 34
- 1.6 grid connection control system 36
- 1.7 Wind Farm 37

Part Two Global wind power market 47

- 2.1 global wind power market overview 56
- 2.2 Europe wind power market 77
 - 2.2.1 German 81
 - 2.2.2 Spain 82
- 2.3 USA wind power market 100
- 2.4 India wind power market 101
- 2.5 Japan wind power market 109

Part Three China wind turbines installation overview from 1998-2006 and forecast from 2007-2010 112

- 3.1 China wind power market overview 115
- 3.2 wind power grid price 123
- 3.3 China wind power regulations research 128
- 3.5 China wind turbines installation history from 1998-2006 133

3.6 China wind turbines installation forecast from 2007-2010	152
3.7 “eleven five” wind power study topics	154
3.8 wind power big news of 2006 Jan-Dec	163

Part Four wind power equipment manufacturers 167

4.1 Goldwind(China)	170
4.2 Vestas(Danmark)	186
4.3 Gamesa(Spain)	198
4.4 GE Wind(USA)	203
4.5 Suzlon(India)	204
4.6 Nordex(German)	209
4.7 Sinovel(China)	211
4.8 Casc-acciona(China)	213
4.9 Windey(China)	215
4.10 DFSTW(China)	220
4.11 Xian Weide Wind power Equipment Co.,Ltd(China)	225
4.12 Baoding Huide Wind power engineer Co.,Ltd(China)	226
4.13 Shanghai Shenxin Wind power equipment Co.,Ltd	228
4.14 Syfd(China).	229
4.15 Yituo-Meide(Luoyang)Wind power equipment co.,Ltd(China)	236
4.16 Hafeiwinwind(China)	238
4.17 zxkl(China)	239
4.18 shwande(China)	242
4.19 Enercon(German)	245
4.20 Siemens Wind Energy (Danmark)	247
4.21 German REpower (Acquired by France Areva)	248
4.22 Ecotenia(Spain)	252
4.23 MITSUBISHI HEAVY INDUSTRIES,LTD(Japan)	253
4.24 Hec-china	253
4.25 Xemc-wind	255
4.26 Yingli Green Energy	261
4.27 Czdq	263
4.28 Beijing Beizhong Stream Turbine Generator Co.,Ltd	265
4.29 Bctyfd	268
4.30 Gjdqgs	271
4.31 Jinhd	272
4.32 China-German wind power equipments Co.,Ltd	274
4.33 Others	274
4.34 Nanjing jiangbiao Group	283
4.35 wolong	285
4.36 Greatwall	288
4.37 Shfrp	288
4.38 Htblade	290

Tables and Figures:

Table or figure1 2004-2005 global top 10 turbine manufacturers	4
Table or figure2 China wind turbine installations (unit: 10Million Watt)	6
Table or figure3 2005 market share of new turbine installation of China turbine manufacturers	7
Table or figure4 2005 market share of total installations of China wind turbine manufacturers (unit: kw)	9
Table or figure5 2005–Jun,2007, purchase orders of wind turbine in China (unit: KW, 100 million RMB)	10
Table or figure6 China local wind power equipment company name list	10
Table or figure7 2009 market share of China local wind turbine manufacture	12
Table or figure8 turbine companies list who entered China wind power equipments industry	12
Table or figure9 components or parts company name list of local wind power equipment manufactures	13
Table or figure10 2004-2010 market share change trend of China local turbine manufacturers	5
Table or figure11 2005-2010 sales revenue (100 million RMB) of China local wind power equipment and increase rate	16
Table or figure12 2009China local wind equipment better manufactures and their advantages	17
Table or figure13 Public company name list of China wind power industry	18
Table or figure14 market (unit: RMB) scale of wind power business public companies	19
Table or figure15 Turbine equipment structure	20
Table or figure16 cost structure of wind turbine	21
Table or figure17 material structure of wood wind turbine blade	29
Table or figure18 parts structure of wind turbine blade	30
Table or figure19 manufacture processes of wind turbine blade	30
Table or figure20 China 59 wind fames and their wind turbine installations	38
Table or figure21 China local wind fames (25 units) temperature, wind speed, air condition etc information	40
Table or figure22 industry chain structure of wind fame	42
Table or figure23 Danmark Horns Rev sea wind fame overview	43
Table or figure24 Horns Rev sea wind fame generation model	44
Table or figure25 2004-2005 global wind power installations (GW)	47
Table or figure26 2005 top5 countries on global renewable energy installations	48
Table or figure27 2005 top5 countries on global wind power renewable energy installations	48
Table or figure28 1995-2006 global wind power installations (MW)	49
Table or figure29 1995-2006 global wind power installations (MW) per year	50
Table or figure30 2006 global wind turbine installation——region distributing(unit: MW)	50
Table or figure31 2003-2006EU/Asia/USA/Africa and Middle-east/Lain America/Oceania etc yearly wind turbine installations (MW)	51
Table or figure32 2006 top10 countries of global wind turbine installations (MW)	52
Table or figure33 2006 top10 countries of global yearly wind turbine installations (MW)	53
Table or figure34 2006 Egypt Morocco Iran etc Africa and Middle-east region wind turbine	

installations and 2006 installations (MW)	53
Table or figure35 2006 India China Japan Korea etc Asia region wind turbine installations and 2006 installations (MW)	53
Table or figure36 2006 German Spain Danmark Italy England etc Europe region wind turbine installations and 2006 installations (MW)	54
Table or figure37 2006 Brazil Mexico etc Latin America region wind turbine installations and 2006 installations (MW)	54
Table or figure38 2006 USA and Canada etc North American region wind turbine installations and 2006 installations (MW)	55
Table or figure39 2006 Australian New Zealand etc Oceania region wind turbine installations and 2006 installations (MW)	55
Table or figure40 2006 global wind turbine installations (MW) and 2006 year installations(MW)	55
Table or figure41 2005 global renewable energy capacity and 2005 new increase capacity (GW)	56
Table or figure42 2005 global wind power capacity (MW) and global TOP10 country	57
Table or figure43 1990-2005 global wind turbine installations (GW)	58
Table or figure44 global top 10 wind power country and their 2004 and 2005 newly installations (MW)	58
Table or figure45 global and some countries wind power etc renewable energy power generations (GW)	61
Table or figure46 2005 global top 10 wind turbine manufacturers	68
Table or figure47 global wind turbine generation market development and 2006-2010 forecast	70
Table or figure48 Enercon E-112 (6MW) wind turbine data	71
Table or figure49 Enercon 6MW wind turbine installation engineering map on German Cuxhaven testing generation	71
Table or figure50 2010, 2020, 2030 Africa wind turbine installations (MW)	73
Table or figure51 2010, 2020, 2030 Latin America wind turbine installations (MW)	74
Table or figure52 2010, 2020, 2030 North America wind turbine installations (MW)	74
Table or figure53 2010, 2020, 2030 Russia etc Transformation Countries wind turbine installations (MW)	75
Table or figure54 2010, 2020, 2030 East Asia region wind turbine installations (MW)	75
Table or figure55 2010, 2020, 2030 Great Oceania region wind turbine installations (MW)	76
Table or figure56 2010, 2020, 2030 South Asia region wind turbine installations (MW)	76
Table or figure57 2010, 2020, 2030 Middle-east wind turbine installations (MW)	76
Table or figure58 2030, 2050 global wind energy development trend	77
Table or figure59 1991-2005 EU wind turbine yearly installations (MW)	78
Table or figure60 1990-2005 EU wind turbine total installations (MW)	78
Table or figure61 2005 EU wind turbine installation per country	79
Table or figure62 EU 25 countries wind turbine installations (MW)	80
Table or figure63 2010, 2020, 2030 EU wind turbine installations (MW)	81
Table or figure64 Spain region distribution of wind turbine manufacturers	83
Table or figure65 market share of Spain wind turbine manufacturers	84

Table or figure66 market share of Spain wind fames	84
Table or figure67 wind power relative companies list of Spain (more than 100)	85
Table or figure68 1990~2003 Spain wind turbine installations(MW) and 2003 market share	99
Table or figure69 2006 India 9 provinces wind turbine installations and their potential installation capacity(MW)	102
Table or figure70 1990-2005 India wind turbine installations(MW) and their increase rate	106
Table or figure71 1990~2003 German Spain Danmark USA India etc wind turbine installations (MW)	107
Table or figure72 1998-2004 Japan wind turbine installations (MW)	110
Table or figure73 Japan long time strategy of renewable energy (2030,2050,2100)	110
Table or figure74 Japan sea wind power generation development blue map	111
Table or figure75 Difference of wind power and PV industry	121
Table or figure76 development trend of all sub-industry of wind power	122
Table or figure77 wind power relative public companies and their business introductions	122
Table or figure78 investment return rate of China wind power projects	126
Table or figure79 China 31 province wind power investment return rate	126
Table or figure80 2000-2020 China wind power scale (MW) and wind power cost (US Cent/KWh)	127
Table or figure81 China government wind power development plan	128
Table or figure82 wind power regulations and their detail contents	130
Table or figure83 in-direct regulations cases analysis of global 12 countries	132
Table or figure84 direct regulations cases analysis	132
Table or figure85 2006 China yearly wind turbine installations and total installations(MW)	135
Table or figure86 2006 China 15provinces wind turbine total installations(KW) and installation units	135
Table or figure87 2006Jan-Dec China all wind fames wind turbine installation time turbine vendor turbine capacity and turbine units list	136
Table or figure88 2006 yearly market share of China local turbine manufacturers	140
Table or figure89 2006 yearly market share of China cooperation manufacturers turbine manufacturers	140
Table or figure90 2006 yearly market share of China foreign manufacturers turbine manufacturers	140
Table or figure91 2006 total market share of China local turbine manufacturers	141
Table or figure92 2006 total market share of China cooperation manufacturers turbine manufacturers	141
Table or figure93 2006 total market share of China foreign manufacturers turbine manufacturers	142
Table or figure94 1998-2006China nation wide wind fames wind turbine installations (time, capacity, manufacturers etc)	143
Table or figure95 2006 China Taiwan province total wind turbine installations(MW)	152
Table or figure96 1998-2010 China total wind turbine installations(MW)	153
Table or figure97 1999-2010 China yearly wind turbine installations(MW) and increase rate	153
Table or figure98 foreign-owned wind turbine manufacturers and their key products	167
Table or figure99 China-foreign cooperations wind turbine manufacturers and their key products	

Table or figure100 local wind turbine manufacturers(buy foreign countries technology) and their key products	167
Table or figure101 local wind turbine manufacturers(own technology) and their key products	168
Table or figure102 local turbine brands and their foreign technology support companies	172
Table or figure103 Goldwind 43/600kWproducts and their clients	174
Table or figure104 Goldwind43/600kW turbine technology premeter	175
Table or figure105 Goldwind 48/750kW 50/750kWproduct and their purchase clients	177
Table or figure106 Goldwind sales information of China local 10 provinces	178
Table or figure107 Goldwind R&D topics list	181
Table or figure108 Goldwind technology support items list	181
Table or figure109 stock price of Goldwind from Mar,2006-Feb,2007	183
Table or figure110 total wind power relative public companies in Shanghai and Shenzhen stock exchange	183
Table or figure111 2006 Goldwind sales achievement (clients purchase units capacity installations time etc)	185
Table or figure112 global wind turbine orders from Jan,2006-Apr 17,2007 of Vestas	188
Table or figure113 Vestas wind turbine (0.85-3MW) product list	191
Table or figure114 2006 Vestas 25 countries sales (MW) and market share of local country	192
Table or figure115 2006Vestas global employees and region distributing	193
Table or figure116 2002-2006 Vestas global revenue (million Euro)、profit、profit rate	193
Table or figure117 2002-2006Vestas global wind turbine sales (MW) and increase rate	194
Table or figure 2006 Vestas wind turbine China sales (clients units capacity installation time)	194
Table or figure118 Danmark NEG Micon wind turbine products list	195
Table or figure119 Spain Gamesa wind turbine products list (0.85-2MW)	199
Table or figure120 Spain Gamesa wind turbine core customers and their purchase (MW)	199
Table or figure121 2005 global 10 wind turbine manufacturers and market share	200
Table or figure122 2004-2005 rank of global top 10 wind turbine manufacturers shipment (MW)	200
Table or figure123 2005 global top 10 wind power country and their top 3 wind turbine manufacturers	201
Table or figure124 2001-2006 Spain Gamesa global revenue (million Euro)、profit、profit rate	202
Table or figure125 2001-2006 Spain Gamesa revenue (million Euro) and its increase rate	202
Table or figure126 2006 Spain Gamesa wind turbine China sales (clients units capacity installations time)	202
Table or figure127 2005 USA GE Wind wind turbine China sales (clients units capacity installations time)	203
Table or figure128 2006 India Suzlon products (0.35-2MW) list	208
Table or figure129 2006 India Suzlon wind turbine China sales (clients units capacity installations time)	208
Table or figure130 German Nordex wind turbine (1.3-2.5MW) product list	209
Table or figure131 2006German Nordex wind turbine China sales (clients units capacity	

installations time)	211
Table or figure132 2006 Sinovel wind turbine China sales (clients units capacity installations time)	212
Table or figure133 2006 Casc-acciona wind turbine China sales (clients units capacity installations time)	214
Table or figure134 Zhejiang Windey wind turbine product list	218
Table or figure135 Zhejiang Windey wind turbine sales list	218
Table or figure136 2006 Zhejiang Windey wind turbine China sales (clients units capacity installations time)	219
Table or figure137 2006 DFSTW wind turbine China sales (clients units capacity installations time)	225
Table or figure138 2006 Baoding Huide wind turbine China sales (clients units capacity installations time)	227
Table or figure139 2006 Syfd. Wind turbine products list	229
Table or figure140 Shwande wind turbine products list	243
Table or figure141 German Enercon wind turbine (0.33-2.3MW) product list	244
Table or figure142 2006 German top8 wind turbine brands and their market share	247
Table or figure143 2006global top 10wind turbine brands and their global market share	247
Table or figure144 2003-2006German REpower revenue (million euro), profit, profit rate	249
Table or figure145 2002-2012 global wind turbine total installation (MW)	250
Table or figure146 German REpower wind turbine (1.5-5MW) technology premeter information	250
Table or figure147 2006German REpower all wind turbine type and their sales in China France Italy Japan Portugal German England etc8 countries	251
Table or figure148 2006 German REpower wind turbine orders from all over the world	251
Table or figure149 Xemc-wind 2010 wind turbine manufacture plan and hope revenue	256
Table or figure150 Xemc-wind 2007 orders from their official saying	257
Table or figure151 2006H1 Xemc-wind sales revenue of different business department	258
Table or figure152 2005-2008 Xemc-wind sales revenue (10 thousand RMB) of different business departments	259
Table or figure153 2005-2008 Xemc-wind profit forecast (10 thousand RMB)	260
Table or figure154 Shfrp wind turbine plade technical premeter list	289
Table or figure155 Htblade wind turbine blade products list	292
Table or figure156 wind famre and wind turbine public companies list	292
Table or figure157 “wind power” key websites list	293
Table or figure158 “wind power” magazine website list	295
Table or figure159 “wind power” industry associations list	296
